2025 TOURS SCHEDULE

With the exception of the Christmas Party at Coombe Abbey events are over for 2024 so on to 2025!

It has been an eventful twelve months involving two new titanium hips, so as now worth a considerable amount in scrap value I avoid going anywhere near places I could be weighed in! A head on collision with a van travelling on the wrong side of the road not only injured the Marauder but me as well. Marauder is now at Classic Motor Cars in Bridgnorth having reconstructive surgery. I'm still limping!

Schedules are included for every tour apart from the York one in June so below is a brief synopsis.

April 6th – 9th (10th). 16th Credit Crunch, based at Thornton Hall on the Wirral Peninsula and taking in Liverpool.

May 14th – 19th. 5th Bridgnorth. This really has been a great success as was originally only intended to run once! Excellent d,b&b venue and attractions.

June, date to be decided. This will be a five, possibly six night stay in Yorkshire, taking in a variety of attractions in addition to York itself. There's some great scenic driving roads plus we'll be visiting various places connected with TV filming, including Mathewson's. Two potential hotel were visited incognito to check out on the 17th and 18th of this month. Once everything has been organised information will be sent out.

August 1st – 4th (5th). Welsh Wander. As usual this is based at the Metropole in Llandrindod Wells. Many of you will have been there, especially as there have been three Christmas Parties as well as a Credit Crunch but as it's in August the weather will hopefully be good. This is aimed at car clubs who are not currently on the mailing list but perhaps some of 'the usual suspects' might be tempted to just chill out for a summer weekend in convivial surroundings?

September 4th – 12th. South Coast and the Isle of Wight. This was a great success last time despite the Royal Family not consulting me about when to organise the Queen's funeral! This time there will be an extra day on the island and if enough advance interest I may arrange for a tour within a tour that includes just Portsmouth and the Isle of Wight.

December, Christmas Party, date and venue to be decided. I have a potential location but more information when available.

Plans already being considered for 2026!
